**RE: Prime Minister's Town Hall**

Dear Hilary,

I write to thank you for attending the Prime Minister's Town Hall at the University of Calgary this past Tuesday.

Thank you also for your question on homelessness and a National Poverty Reduction Strategy. One of this government's highest priorities is to reduce poverty in Canada. Having engaged citizens such as you bringing up this important issue with the Prime Minister is an important way of keeping this issue at the forefront of our national discussion.

Thank you for your activism, your engagement, and your tireless work on behalf of Calgarians.

Sincerely,

Hon. Kent Hehr, P.C., MP  
Calgary Centre
